Sub: Requesting permission to conduct seminar on "Career Guidance on Aviation and Hospitality Industries"

Respected Madam/Sir,

Gryphon Academy is a state-of-the-art academy specializing in Aviation, Hospitality, Travel and Cargo Management trainings which holds its operations in Kalaburagi. The academy's major focus is on training aspiring individuals as per industry standards giving them personal attention not only concentrating on academics but adding value by developing them as an individual through personality development, communication skills and self-development trainings giving various career opportunities in Aviation, Hospitality, Travel and Cargo related sectors.

These sectors coming into the limelight this decade have grown several folds giving job opportunities many young talents and India would be emerging as a global leader in these industries with higher requirements of human resources.

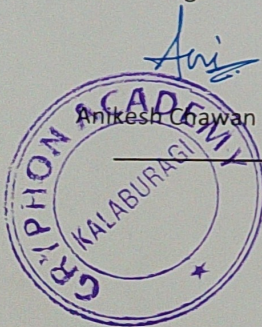

I would like to put forth a request to your kind office to kindly grant us permission to conduct a seminar for class 12 / final year students who would be passing out and looking for various career options, and confident that this would be an eye-opener for the students about other industries and quite beneficial for their future.

Gryphon Academy would like to extend our support to the management for any personality development, communication lectures for students of other classes which becomes a part of social responsibility as an academy "training for future".

Anticipating a positive response from your end and if any clarifications, I would explain it over phone or with a visit. Date and time of the seminar could be discussed and fixed.

Thanking you,

Warm Regards

Gryphon Academy
