## **Janapada Adhyana Kendra [Folklore Study Centre]**

Hyderabad Karnataka region is the land of Folklore culture. The region is enriched with folk literature and folk art.

More than these, the things they used in their daily life, is very useful and had medicinal values. Man is now re-looking towards using these things again in the routine life. Examples Spruce, Oar, Pan, Pestle, Stone Grinder, Plough, Earthen Pot, Bullock Cart, Garner, Piling up pots, Bray, Floor mill Spade etc.

In this regard, a folk art collection has been set up. All these materials have been collected which were on the verge of we have been extinction. We have been displaying these things in the folk art exhibition to make aware of our students about folk culture and art. The folk art centre has been set up and collecting folk literature, proverbs through students.

The two editions of folk literature proverbs have been published.

Folk artists have been invited regularly to our FM community Radio to present their art and have been honoured.
